- 🍏🍏🍏 The waiting period for stamps are 2 weeks. If the stamps are finished sooner the order will be couriered sooner. Waiting period can change due to high volumes of orders. Please see quotation for waiting period.
- 🍏🍏🍏 Courier takes maximum 5 working days. Packages are sent with Aramex.
- 🍏🍏🍏 The cost of courier is R99.
- 🍏🍏🍏 Designs are sent when full payment is received. Designs are unfortunately not created on weekends.
- 🍏🍏🍏 Quotations are made in the evenings.
- 🍏🍏🍏 WhatsApp messages and emails will be responded to in the evenings.
- 🍏🍏🍏 Self inking stamps ink will need to be refilled when the colour starts to fade. It is important to use a water base ink refill. Oil based ink refills can damage the stamp. Extra ink bottles can be bought to refill the stamps.
- 🍏🍏🍏 Adjustable date stamps can turn up to 2031.
- 🍏🍏🍏 You are welcome to change the designs of the stamp and choose your own font, pictures and wording.
- 🍏🍏🍏 If you would like to have a signature on your stamp you can send a photo of your signature in black pen on a white background.
- 🍏🍏🍏 For any enquiries please send a WhatsApp message to 0827297247.
