

# Teacher stamps

🍏🍏🍏 I am located in Faerie Glen, Pretoria. You are welcome to collect packages.

🍏🍏🍏 The waiting period for stamps are **1 month** from payment date. If the stamps are finished sooner the order will be couriered sooner. Waiting period can change due to high volumes of orders. Please see quotation for waiting period.

🍏🍏🍏 Courier takes maximum 5 working days. Packages are sent with Courier guy or Postnet.

🍏🍏🍏 **The cost of courier will depend on the size of the parcel.**

🍏🍏🍏 Designs are sent when full payment is received. Designs are unfortunately not created on weekends.

🍏🍏🍏 Self inking stamps ink will need to be refilled when the colour starts to fade. It is important to use a water base ink refill. Oil based ink refills can damage the stamp. Extra ink bottles can be bought to refill the stamps.

🍏🍏🍏 Stamps can break when they fall.

🍏🍏🍏 Adjustable date stamps can turn up to 2032.

🍏🍏🍏 You are welcome to change the designs of the stamp and choose your own font, pictures and wording.

🍏🍏🍏 If you would like to have a signature on your stamp you can send a photo of your signature in black pen on a white background.

🍏🍏🍏 For any enquiries please send a WhatsApp message to 0827297247.

*I am excited to create  
your unique stamp!*

🍏 The stamps are only available in black. An additional white name tape can be ironed onto the clothes for darker clothes. The cost of the tape is R40 for 1m. It is recommended to use the 10mmx26mm stamp with the ironing tape.

🍏 The ink is a special textile ink for clothes. An extra bottle of ink can be bought for R122 for 28ml. This bottle is enough to refill the stamp 4 times.

🍏 The ink is washable and lasts for up to plus minus 50 washes.
